## Dapper Don

Siberian baritone Dmitri Hvorostovsky, photographed on the Hudson River in November 1999, is at the Metropolitan Opera in New York this month singing the role of Germont Sr. in Verdi's *La Traviata*. Next month PBS's *Great Performances* will air *Don Giovanni Unmasked*, a one-hour film adaptation of Mozart's masterpiece, in which the handsome Russian stars as both Don Giovanni and his crafty servant, Leporello.
