

## Rediscovering The Music Of Polish Composer Szymon Laks

August 03, 2017

Polish composer Szymon Laks was sent to the Auschwitz-Birkenau concentration camp during World War II, and became a conductor for the Auschwitz orchestra.

After the war, Laks continued to compose, but his music never received widespread recognition. He was more well-known for his concentration camp memoir "[Music of Another World](#)."

Now, the [ARC Ensemble](#) in Canada has released "Music in Exile Volume 3: Chamber Works by Szymon Laks." Artistic director **Simon Wynberg** joins *Here & Now*'s Robin Young to talk about the album.

*This segment aired on August 3, 2017.*
